We know tWe extend our appreciation to those whose lifetime support of Children's of Alabama exceeds \$100,000.

We know that people do not make significant charitable contributions in order to become members in a giving society. However, we want to recognize these special donors. Membership in this society can be from a single gift or many gifts contributed over time.

## 2019 Family Friends

In times of crisis, especially when it involves a child, Family Friends are there to help in whatever ways make sense. That's why we call our most generous annual supporters Family Friends. Each year, we need help to keep our promise to ill and injured children: If a child needs our life-giving services, we will meet those needs with one, world-class level of care regardless of ability to pay. Many of the services which are unique to Children's are only possible because of the generous support of these individuals - our Family Friends.

## 2019 Gifts

Though we cannot list them all here, we would like to thank each of the donors who supported Children's of Alabama in 2019. Philanthropy enables Children's of Alabama to continue its mission to provide the finest pediatric health services to all children in an environment that fosters excellence in research and medical education. We list donors by gift size, but when it comes to caring for children, every gift matters.

Thank you for your generous support.
