## Children's of Alabama Donor List

Children's  
of Alabama®

## 2021 Gifts

Though we cannot list them all here, we would like to thank each of the donors who supported Children's of Alabama in 2021. Philanthropy enables Children's of Alabama to continue its mission to provide the finest pediatric health services to all children in an environment that fosters excellence in research and medical education. We list donors by gift size, but when it comes to caring for children, every gift matters. Thank you for your generous support.
